

## Chestnut Hill Hospital Radiation Oncology Expansion

recently completed

<b>Owner</b>	University of Pennsylvania Health System
<b>Location</b>	Philadelphia, PA
<b>Architect / Engineer</b>	Ewing Cole
<b>Value</b>	\$1,200,000

Erickson returned to Chestnut Hill Hospital for this project, which called for the construction of a 2800 square foot expansion to the hospital's existing Radiation Oncology unit.

Included in the work was installation of a new Linear Accelerator, including protective concrete walls, varying in thickness between three and six feet. In addition to the associated mechanical work, interior renovations were completed to patient exam and dressing rooms.
